---

“Uh, Andrew, hey, it’s John again. It’s about 5 minutes later. Uh, I don’t think you’re going to be able to call back ‘cause they’re going to be back here in about 5 or 10 minutes. Uh, just wanted for all of you, including her, to know that I am thinking about you. Uh, I will be in South Carolina tomorrow, uh, flyin’ in the morning and should be there by myself tomorrow night, uh, so, uh, I will talk to you guys then.”
